Payment Terms:

An estimate and confirmation of arrangements will be provided to you. Please make sure you fully understand the likely cost of the funeral you are arranging and that you, as the person making the arrangements, will be liable for settlement of these costs, unless you have clearly agreed otherwise with your funeral director. A signed copy of the estimate and confirmation MUST be returned to us, before the funeral takes place.

- We do not require a deposit.
- Please let us know how the account will be paid, i.e., whether there are funds in the estate account, a solicitor is administering the estate or a DWP application is being made.
- We endeavour to produce our final invoice approximately 14 days after the funeral unless asked to produce it sooner. You must pay the funeral invoice in full within 14 days of the invoice date, unless otherwise agreed by us beforehand.
- In the event that your payment is not made within the agreed time, we reserve the right to engage a third-party company to collect the balance on our behalf, who may also add fees, charges and interest to the sum owed.
- Payment can be made in cash, by cheque or Bank transfer.
- A full set of our terms and conditions will be issued with every estimate and confirmation. You can also request a physical or digital copy at any time by telephoning 01579 362358 or emailing funerals@fdhall.co.uk, or by calling in person at the office and requesting a copy.

Charitable Donations:

Our funeral business does not make charitable donations in excess of £250.00 to any organisation in return for business recommendations or support of any sort.
